

Central Schwenkfelder Church

YELLOW PAGES DIRECTORY

Under the direction of the Board of Deacons, Central is compiling information for a directory of members who would care to make the church aware of their skills and/or occupation for hire. Upon completion, this directory will be made available to all members in electronic format (via PDF file) on the church website. Members not accustomed to using the Internet can request a printed copy from the church office.

To be included in the directory we are asking for an annual donation of \$20 per submission, which this year will help defray costs of a "Welcome Center," a facility to be positioned in the Narthex with materials provided for guests that visit with us. Additionally, objectives of this project are to provide an avenue for enhancing fellowship and acknowledging the gifts of many in our church family.

Please see back of this insert for additional details ⇒

Fine Print:

This directory is being compiled in order to help promote fellowship within the church by making other members aware of your skills and/or occupation for hire. This document will be posted for public availability.

Donation details:

Please make all checks payable to *Central Schwenkfelder Church* and, in addition, include *Yellow Pages Directory* in the memo section of your check. All checks can be submitted to the church office along with your submission form.

Directory availability details:

As mentioned, this directory will be made available in PDF format only and will be posted for download on the church website. The reason for this is to:

- (1) Provide for your business and/or skill to be searchable on the Internet.
- (2) Defray costs of printing the directory in hard copy.
- (3) Keep the cost for submission to this directory at a reasonable level.
